The Passage

A very interesting trip with a modern container vessel owned by a German shipping company from Rotterdam to two ports in France, normally Dunkerque and Montoir de Bretagne. Dunkirk is the northernmost city in France, situated near the Belgian border, and is characterised above all by its port. Enjoy the rugged, rocky coastline of this unspoiled landscape. Montoir is located south of Brest in the Loire-Atlantique department, not far from Saint-Nazaire.

Embarkation in Rotterdam: Embarkation including a visit to the immigration office as an all-round carefree package! In Rotterdam you will be picked up by a professional taxi/crew service and taken directly to the ship, with all formalities being taken care of beforehand. The service is subject to a charge (approx. 60 €) depending on the port area. If necessary, a car can be parked on the ground of taxi service.

Deviation insurance for people aged 75 and over: 219 €.

Subject to change.
