The Passage

Beautiful trip to the fjords of western Norway.

The ship starts on the journey very many small port places in Norway. The laytime is sometimes very short, so that not always a shore leave can be guaranteed.

The entire cargo handling takes place with on-board cargo gear and is organized by the crew of the ship itself.

We therefore ask for your understanding that the crew of the ship is very busy in the ports.

According to the charterer, the vessel can be used flexibly in the Norwegian sailing area. Therefore, short-term changes of the port sequence are possible. Certain ports can not be guaranteed.

Subject to change without notice.

The following has to be added to the cabin price (per person/trip): Basic lump sum 95,- and deviation insurance 89,- €, form the age of 75 219,- €

Prices are fixed even if the duration or route vary
