## The Passage

Your destination: the Baltic Sea.

These vessels do not sail a particular route but will call different harbours within the area of the Baltic Sea. A trip through the Kiel Canal will be part of most voyages.

Depending on the quantity of cargo to be handled the vessel will call one or two harbours of the above listed. At the moment (Feb 23) the vessels mostly call the port of Stockholm. Approx. one week before departure we will receive details about the planned route. This is the excitement of this voyage: You do not know where it will lead you until the last minute.

If the travel time is less than 6 days or more than 8 days, the respective daily rate will be reimbursed or subsequently charged.

Subject to change without notice.

## Covid19 regulations:

Full Covid19 vaccination (with booster) required.
