The Passage

* One to three ports can be called on a voyage.

The vessel is in the feeder service, i.e. it brings containers to larger ships.

The ports listed here are examples. You book an interesting voyage to up ports in the Baltic Sea, mostly Scandinavia or Poland. That means instead or in addition to the above given examples, also ports in the whole Baltic area can be called.

Hamburg is the starting and final point of the trip.

Experience the voyage on the river Elbe and the passage of the Kiel Canal with its locks and maritime traffic. You pass through a magnificent landscape and meet smaller and larger ships so close by that you could almost touch them.

Passengers are always welcome on board!

Departures: approx. weekly

Subject to change without notice.
