The Passage

Beautiful trip to the fjords of western Norway.

The ship starts on the journey very many small port places in Norway. The laytime is sometimes very short, so that not always a shore leave can be guaranteed.

The entire cargo handling takes place with on-board cargo gear and is organized by the crew of the ship itself.

We therefore ask for your understanding that the crew of the ship is very busy in the ports.

Some of the ports will be called twice.

Subject to change without notice.
