The Passage

Very nice trip to the coast of Sweden and to the Lake Malaren, as well as to upon Hull at the river Humber at the east coast of England.

The vessel passes the typical Eastern-Swedish skerry landscape, which you can actually see well only from the ship. Forested rocky islands, colourful lighthouses and beacons, holiday homes, sailing and motor boats form the landscape. Another beautiful sight presents itself during wintertime while sailing through the inland ice along snow-covered islands and woods. Enjoy the smell of the woods or the marvellous sunsets in a charming landscape.

The route can vary - ports can be left out or other ports can be called in addition - therefore one-ways are not possible.

Subject to change without notice.
