The Passage

Interesting trip to swedish ports and England/Poland.
The ports can vary!

During this trip, you sail through the typical Eastern-Swedish skerry landscape, which you can actually see well only from the ship. Forested rocky islands, colourful lighthouses and beacons, holiday homes, sailing and motor boats form the landscape. Another beautiful sight presents itself during wintertime while sailing through the inland ice along snow-covered islands and woods. Enjoy the smell of the woods or the marvellous sunsets in a charming landscape.

Subject to change without notice.
